## Please check our Customer Comments

We perform with and understand ethnic woodwinds. We work hard to deliver top quality musical instruments and service, ensuring the quality and specific characteristics of the fine musical instruments that we represent! The high level of repeat business that we're fortunate to have, is a sign of this. Our goal is to empower with the most practical, playable, beautiful, musical instruments that we possibly can.

\* Over 1,000 copies have been sold in the US Pacific Northwest (in the Greater Seattle Area) at our live local concerts and engagements.

\*\* Song includes concert class didgeridoo(s) in same key as flute.

\*\*\* Permission to use a re-recorded version of 'Fog' on Ancient Sounds CD 'Resonance' was granted by [Mary Youngblood](http://www.maryyoungblood.com), Grammy Award Winning Artist for Native American Music. This stunning, creative song was originally released on her ['Heart of the World'](http://www.heartoftheworld.com) CD by Silver Wave Records.

**We can help other Musicians select quality instruments, which achieve similar or better sound quality characteristics!**
